

# Years to '69 Awards

Since 1990, members of the Group have committed over £200,000 for awards to 120 students. The diagram shows how these awards have been distributed.

## Cumulative Numbers of Awards by Type

## Message from the Principal

The encouragement and generosity of old members is of great importance to the College at any time and at no time more than the present. That the Years to '69 Group has been offering such support for a span of 21 years is most impressive.

The College is grateful for what the Group has given, not just in money for postgraduate awards, exhibitions and undergraduate access bursaries but also in its contribution to the wider College spirit through its social activities.

Thank you all and congratulations on your coming of age!
